

North Lombok; Panorama Walk

This tour takes you to the still very traditional north coast of Lombok. In this area still many adherents to the old Wetu Telu religion live. It is rarely visited by tourists. Following a beautiful itinerary we drive to the village of Senaru on the slopes of Mt. Rinjani. If it is clear you will see its imposing summit during the ride. The surroundings of Senaru are fertile and lush. It is the starting point of a nice and easy walk guided by an English speaking guide. On the way you visit villages where its inhabitants still live according to ancient religion and traditions. You will see that the villagers are most happy to invite you in their homes. The walk goes through rice fields and ends at an imposing waterfall. After this the drive back to Senggigi will be around two hours. Of course you can extend this tour with a night or two in a hotel in Senaru.
